Fort Garry Industries Saskatoon Gets a New Home

FGI Invests in Saskatoon and Surrounding Area with New State-of-the-Art Building

Saskatoon, Saskatchewan, May 14, 2019 Fort Garry Industries celebrated the official Grand Opening of its new facility in Saskatoon on May 9, 2019. The new building is 42,000 sq. ft. which is a major increase from its former 27,000 sq. ft location.

“We are continuing to invest in our facilities to ensure a great customer experience,” says Robyn Spitzke, President of Fort Garry Industries. “As growth continues in the Saskatoon market, we wanted to provide our customers and employees with a new and modern facility that meets everyone’s needs and helps provide the best customer service.”

The new store utilizes a unique open concept floor plan with a heavy-duty parts showroom. There’s a bold, new sales counter area, three drive-thru service bays, a large display yard for trailers and equipment and convenient big-rig parking.

The new facility gives customers greater access to Fort Garry Industries vast inventory and complete line of heavy-duty aftermarket parts as well as over the counter warranty services for all makes of trucks and trailers.

The new address is 3426 Faithfull Ave Saskatoon, SK S7K 8H1, which is around the corner from the old location.

###

If you would like more information about the new facility, please call Graig Cardell, Branch Manager, at 306-222-2479 or gcardell@fgiltcd.ca
