## **Fort Garry Industries Sudbury Gets a New Home**

*FGI Invests in Sudbury and Surrounding Area with New State-of-the-Art Building*

**Sudbury, Ontario**, Fort Garry Industries is excited to announce they moved into their new facility on June 27, 2022.

“We are continuing to invest in our facilities to ensure a great customer experience,” says Robyn Spitzke, President of Fort Garry Industries. “As growth continues in the Sudbury market, we wanted to provide our customers and employees with a new and modern facility that meets everyone’s needs and helps provide the best customer service.”

The new 13,000 square foot store has an open concept floor plan offering the largest heavy-duty parts showroom in the area. The new location dramatically improves our ability to provide parts and service to our customers. With the larger footprint, FGI’s Sudbury store will have the space to add additional inventory and expand product offerings.

We look forward to welcoming customers at our new store conveniently located at 88 Westhill Court, off Duhamel Road. Hours of operation are Monday to Friday, 8 am to 6 pm.

If you would like more information about the new facility, please call Glynn Hynes, Branch Manager, at 705-280-6145 or email [ghynes@fgiltd.ca](mailto:ghynes@fgiltd.ca).
